

A large tortoise, likely a Galapagos tortoise, is resting on a lush green lawn. The tortoise's shell is a mix of brown and tan with distinct dark spots on each scute. Its head and front legs are extended forward. The surrounding grass is vibrant green, interspersed with small white daisy-like flowers and some fallen brown leaves. The scene is brightly lit, suggesting a sunny day.

Animal	Tartaruga (Fêmea)	Tamanho	25cm
Peso	1kg		
Cor	Verde / Preto / Amarelo
